1986-2016

Thank you, to everyone who wore the Centers usher uniform! Thank you to the hundreds of men and women who love music and dance; we couldn't have done it without you!

You stood for every performance because you cared about the safety and wellbeing of our patrons. You made a commitment to come to the theater on your scheduled day because you knew we depended on you to help us. You smiled and helped our patrons have the best experience ever. You saw more performances than you ever dreamed possible! You made new friends. Some of you even made a love connection at the Center!

They say people come into your life for a reason, and you came to us for a reason, too. Some of you came because you love music and the arts; some of you wanted to see shows without having to buy a ticket; some of you wanted to volunteer and give back to the community; some wanted to share special times with a spouse, friend or family member; some wanted to fill a vacant space after retirement; some just needed to get out one night a week to enjoy a performance, to de-stress and get away for a few hours. Whatever the reason, I am thankful that you chose to spend your time with us.

I appreciate all of the volunteers and staff members that keep coming back week after week and year after year. You are the mortar that holds our department together.

For 30 years coming to the Center has rarely felt like work. It's always an adventure, never knowing what's going to happen from one show to the next. Patrons are unpredictable, co-workers personalities clash, show companies can be demanding and try to change our familiar procedures. Without the crazy things that have happened, I wouldn't have any stories to tell! Just when I think I've seen it all, someone gives me a new challenge or problem to solve. Life at the Center has never been boring.

The following pages contain the names of the volunteers and staff members who worked at least 1 year between 1986 and 2016.

Thank you for spending your time with us. I don't know what we would have done without you. I look forward to seeing you at the next performance!

Sincerely,

Christine Upham
