

TECHNICAL REQUIREMENTS

THE CHAMELEONS

“Wonder of Words, Adventures in Space, Mime over Matter”

To facilitate a successful performance, please ensure the following guidelines and items are provided and ready upon the artists' arrival at the school.

Staging: A secured, clean stage area, free of clutter is needed. The minimum performance space needed is 12' x 12'. The surface should be swept, freshly mopped and dry, not waxed. Portable stages with slats cannot be used for *“Adventures in Space”* because rolling chairs are used. *“Wonder of Words”* and *“Mime over Matter”* can use any surface. Easy access to electrical outlet is needed. Wing space must be clutter-free.

If the performance is held outdoors, the area must be sheltered from the wind with access to an electrical outlet.

Artist Needs: Water and cups for artists (optional but appreciated)
One parking space for artists

Artists will arrive approximately 60 minutes prior to the scheduled performance time. Upon the artists' arrival, a representative from the school should be on hand to greet and direct them to the performance area.

It is important that assemblies begin promptly at scheduled times. Arts Teach artists often have performances immediately following at other locations. Performances that begin late due to school delays may result in cancellation. Please have students arrive at least 5 minutes before the performance start time to ensure ample time for performers to complete their entire program. A maximum of 350 students is recommended per assembly.

Teachers set the example for students and strongly affect their behavior at the performance. To encourage maximum learning and program effectiveness we ask that teachers actively participate in the assemblies and refrain from grading papers or doing other work at that time. Your cooperation is greatly appreciated.

Please let us know if there is anything we can do to assist your school/organization in this arts experience.

THANK YOU!
