

TECHNICAL REQUIREMENTS

THE PERFECT GENTLEMEN

In order to facilitate a successful performance, please ensure the following guidelines and items are provided and ready upon the artists' arrival at the school.

Staging: A secured and clean performance area at least 16'W X 12'D is required for the performance. The area surface should be swept and freshly mopped, not waxed. Portable stages must be safe and securely installed. Access to stairs into the house or a portable stair unit is appreciated.

Performance CAN be held outdoors in a shaded area. Artists will NOT perform on grass or dirt.

Artist Needs: Two matching 6' tables (or two 8' tables)
Four matching chairs without arms
4 bottles of water per show for artists (optional)
Four parking spaces

Artists arrive one hour before the first program to load in equipment and do a sound check. Upon the artists' arrival, a representative from the school should be on hand to greet and direct them to the performance area.

It is important that assemblies begin promptly at scheduled times. Arts Teach artists often have performances immediately following at other locations. Performances that begin late due to school delays may result in cancellation. Please have students arrive at least 5 minutes before the performance start time to ensure ample time for performers to complete their entire program. A maximum of 350 students is recommended per assembly.

Teachers set the example for students and strongly affect their behavior at the performance. To encourage maximum learning and program effectiveness we ask that teachers actively participate in the assemblies and refrain from grading papers or doing other work at that time. Your cooperation is greatly appreciated.

Please let us know if there is anything we can do to assist your school/organization in this arts experience.

THANK YOU!
